### **Summer Tune-Up Clinics**

Five one-hour sessions     **\$125**  
(Maximum 6 students per class)

This program is designed as a refresher to get established golfers started off on the right foot. In the first three 1-hour sessions your instructor will review the basics of the golf swing. Focus will be placed on the starting position (including the grip), the back swing, and finish position. The two remaining sessions will be all about the short game. Here we will overview proper technique putting, chipping, the pitch shot, and play from the sand. After five weeks of classes you will have all the tools to make 2019 your best golf season ever.
