Pass Membership Overview

The BCC now offers flexible Bronze 32, Silver 48 and Gold 72 Pass memberships (individual green fees with cart tickets). The passes are fully transferable to allow for rewarding your employees, associates, and customers; treat your friends and family to rounds of golf at the BCC. This membership is designed for business owners, managers, staff, couples (that play low rounds per season) or a group of friends to have the ability to share green fee passes just like a season ticket holder would give tickets to friends and valued customers. Also perfect for giving away passes to

your favorite charity or cause. Interested Pass Membership buyers can arrange for a complimentary trial playing opportunity (to be used in April/May 2020) by contacting PGA Director of Golf, Doug Wark.

Bronze Pass 32 Membership

- Purchase 32 green fee passes, all passes include use of a power cart and are HST additional. (On Sale for the 2020 season for only \$1,813+ HST - only \$56 per/round +HST with ½ cart use included.)

Silver Pass 48 Membership

- Purchase 48 green fee passes, all passes include use of a power cart and are HST additional. (On Sale for the 2020 season starting at only \$2,423 + HST - only \$50 per/round +HST with ½ cart use included.)

Gold Pass 72 Membership

- Purchase 72 green fee passes, all passes include use of a power cart and are HST additional. (On Sale for the 2020 season starting at only \$3,337 + HST - only \$46 per/round + HST with ½ cart use included.)

Pass Membership Policies

- The “Owner” must be registered. (Name one person as the designated membership account primary user and membership account owner.)
- Only the Owner has access to full membership privileges.
- The Owner can play in member only events/leagues and can access the member 8-day advance booking privilege.
- The Owner is encouraged to set up a food and beverage charge account. The Owner may name an Associate to also have a charging account. Associates are required to pay an additional BCC Capital fee of \$120.
- The green fee passes can be given out to employees, business clients, friends, family or any other person at the discretion of the membership Owner.
- Passes are not intended for re-sale and the club will not assist in any re-sale transactions or transfer of passes for re-sale to clients at the Club.
- The passes are valid for the 2020 season only. They do not carry over to the 2021 season

Pass Membership Booking Privileges

- Passes being used by anyone other than the Owner are treated as public players and provided with the public 5-day advance booking privilege.
- Limited to 4 corporate passes used per day. (Special arrangements can be made for non-peak times to use more than 4 per day.)
- Passes would be valid for BCC-run membership events. However, any non-Club run tournaments (i.e. charity fundraising events) would require you to pay the set event rate to play.
- Guests are the responsibility of the Corporate Membership holder and they must comply with all the Club bylaws, rules and policies.
- If a Corporate Member is paired up to play with a public player and this player desires to ride in the cart of the corporate pass user, they will be required to pay for a green fee and ½ cart fee. (The use of the half cart is not free – the corporate pass user is entitled to only half a cart use and the Club has the authority to pair up a member or public green fee player to pay for and use the other half of the cart)

Payment Plans for New Members Joining:
