

# SPONSORSHIP

On Wednesday, August 28th the Friends of Palliative Care Golf Committee will be hosting its 26th Annual Golf Tournament in an effort to raise funds for our cherished local Palliative Care Program. Over the past 25 years, we have been able to raise over \$3,500,000; all because of amazing friends like YOU, and our communities' incredible generosity.

The BGH Redevelopment Project is well under way and the funds raised at this year's tournament will directly benefit the expansion of the Brockville General Hospital Palliative Care Program. The expansion will see an increase of 6 in-patient Palliative Care rooms to 10.

Our Palliative Care Program has gained the reputation as one of the best in the region, providing the utmost compassion and care to those who need it most. In 2018, the program served; made contact and cared for people having made more than 5000 visits, and calls, within the community; both at the Brockville General Hospital's Charles and Garden Street sites as well as patient home visits. It is important to note that every dollar raised through this tournament stays right here in our community. The annual cost to run this service is \$640,000, and receives minimal government funding.

## Friends helping Friends.

Thank you,  
Your Friends
