Welcome

Thank you for your interest in the Brockville Country Club for a 2025 golf season membership. We extend a warm welcome to you as a prospective new member. The Club history dates to its beginning in 1914 as a premier Stanley Thompson heritage golf course. We are thrilled to offer you such an outstanding Club membership experience. We are certain you will enjoy all our many member benefits and privileges.

The "BCC", as the club is known by its many beloved members and local area golf enthusiasts, is recognized for its outstanding course design layout, exceptional practice facilities and top-quality conditioning. It has a lively social atmosphere and offers numerous leagues and event opportunities for both recreational and competitive players. Our membership committee has been working hard over the last few years to design membership programs that offer "something for everyone" and target our packages to meet your expectations of providing excellent member experiences and value.

Memberships include:

- Unlimited individual use of the driving range and short game practice facility
- Participation in club tournaments, club championship and match play events
- Golf Canada Membership and handicap account. Only our golf members have access to Golf Canada Handicap accounts.

Note: \$44.00 +HST account fee invoiced to all BCC members to receive the Golf Canada account benefit package.

- Access to locker rooms and shower facilities. (Additional fees for locker space)
- 2025 hole-in-one fund program provides drink tickets to any member that achieves a hole in one. (Additional fees apply)
- Discounts on club banquet room or board room rentals for your group meeting or party hosting needs. Clubhouse facilities are available throughout the year for entertaining.
- Member charging account privileges with approved credit (or family/parents with accounts to back onto).
- Guest green fee discounts.
- Reciprocal special rates at participating clubs.

Membership Program & Benefits:

- ✓ General Manager Edward Moke, Head Golf Pro Adam Miller and Superintendent managed facility.
- ✓ The area's premier course facilities with an outstanding heritage Stanley Thompson designed layout combined with top quality course conditioning.
